

Business:

Management & Administration

T Level

QUALIFICATION LEVEL	DURATION	INDUSTRY PLACEMENT	EQUIVALENT TO
Level 3	2 years	9+ weeks	3 A Levels

During the 2-year programme, students develop the core knowledge and skills needed for entry into a wide range of management and administration occupations. The qualification combines rigorous classroom study with a meaningful industry placement of at least 9 weeks — giving students genuine workplace experience before they graduate.

WHAT YOU'LL LEARN

Core Programme Content

Business Context	An overview of organisational cultures and values, different types of internal and external stakeholder, forms of governance, and the impact of organisations on society and the environment.
Project & Change Management	Common change management theories and models, and how to support and improve projects from initiation through to delivery.
Business Behaviours	The importance of effective communication — adapting social communication styles to professional standards according to purpose, medium, and audience.
Quality & Compliance	The importance of maintaining and improving quality across all aspects of public and private sector organisations, including regulatory compliance.
